Dawson's...

...Yea you Remember, Little hotdog stand, in the gas station parking lot... Wallen and Lima Road... serving the BEST food and a bulldog with an attitude! Yea you remember! We'll I'm Dawson... the bulldog and I still got an attitude, the lady, she 's still servin the BEST food... but, I got tired of the little stand, so here we are with a little more room to let your tongue hang out and room for some friends to come in and join us... man we've been gone too long. Thanks for coming in and giving us a try, we know there are other places to eat, but most of them don't have the right attitude, that's why you chose us and I just wanted to say thanks.

I prefer you pay cash, but I understand most people don't carry that stuff around anymore, so we'll take credit and debit cards, an occasional dog treat, but absolutelty no rubber checks ... I got enough chew toys already.
